Statement of Concern

About

Library Resources or Displays

*Approved April 29, 2010; updated June 10,
2021 and December 13, 2022*

The library values your opinion. If you would like us to reconsider the presence in our collection of any library material, please complete this form, indicating as clearly as possible the nature of your concern. If your concerns relate to a library program, display, or other library services, please indicate in the appropriate space. Please return this completed form to the Library Director at the library or by email at director@gleasonlibrary.org. The Library Director will evaluate the original reasons for the purchase of the material and/or application for display. If you choose, the Library Director will then respond to you in writing. If there are any remaining concerns, you may submit a written appeal to the Board of Library Trustees within 10 business days of the Director's response. Only Carlisle residents or property owners may submit the Statement of Concern form.
